Cees Bellinga is a partner of MBD*advice*, a company specialised in a broad spectrum of financial services, such as Controlling, General Finance Management, Internal & External Reporting, Independent Accounting Advice, Systems Management, Change Management, Balanced Scorecards, Joint Venture Governance and Advice, Talent Management and Auditing. It also provides Interim Management and Training. These advisory activities and products are based on the experiences and contacts of the partners of MBD*advice*. All have worked in many entities within and outside the Netherlands for Royal Dutch Shell, a well known listed company in the Energy sector.

Since October 2009 Cees is providing advice to some entities of Gazprom in the Netherlands on accounting matters, such as IFRS, interim and annual financial statements and overall reporting as well as finance policies and procedures. In his previous job, he was Transition Manager of Sakhalin Energy Investment Company Ltd (SEIC) in Yuzhno, Russian Federation and responsible for defining the Sakhalin Project Close out and operational phase requirements for which he introduced a centralised finance operations department in SEIC. Before this job, Cees was the global controller of the Gas & Power division of Shell. Furthermore he has been the CFO of Al Furat Petroleum Company in Syria, Controller of the Shell Pension Fund, Finance Manager of the business unit oil of the Nederlandse Aardolie Maatschappij, CFO of a lubricants company in Saudi Arabia, Chief Accountant of Shell Tunisia and Joint Venture Auditor of Shell International. In most of his roles, Cees had extensive staff responsibilities.

He has a degree in business economics with the university of Groningen and is qualified as a chartered accountant and a member of the Dutch Institute of Chartered Accountants, NBA.
