Hans van Moorsel is a partner of MBDadvice, a company specialised in a broad spectrum of financial services, such as General Finance Management, Risk & Governance, Controlling, Internal & External Reporting, Independent Accounting Advice, Systems Management, Change Management, Balanced Scorecards, Joint Venture Governance and Advice, Talent Management and Auditing. It also provides Interim Management and Training. These advisory activities and products are based on the experiences and contacts of the partners of MBDadvice. All have worked in many entities within and outside the Netherlands for Royal Dutch Shell, a well known listed company in the Energy sector.

Before becoming a partner in MBDadvice, Hans was the Regional Head of Financial Audits for the Shell Group, responsible for financial, business and corporate audits, mainly in Europe and Africa. He managed several audit teams in various business sectors with a high level of complexity and different local business backgrounds. Before this function he was the Shell Group Head of Reporting, responsible for the reporting of the Group and business sector results next to providing accounting instructions. He has also been controller chemicals Europe and Africa, controller for the Pernis Refinery and strategist for the Chemical Global Manufacturing Business of Shell. Earlier in his career he acted as Treasurer for the Oman upstream activities and performed Merger & Acquisition activities in Shell. In all his roles, Hans had extensive staff responsibilities.

He has a degree in business economics with the university of Groningen and is qualified as a chartered accountant being a member of the Dutch Institute of Chartered Accountants, NBA.
