Hans van Poppel is an associate of MBD*advice*, a company specialised in a broad spectrum of financial services, such as General Finance Management, Risk & Governance, Controlling, Internal & External Reporting, Independent Accounting Advice, Systems Management, Change Management, Balanced Scorecards, Joint Venture Governance and Advice, Talent Management and Auditing. It also provides Interim Management and Training. These advisory activities and products are based on the experiences and contacts of the partners and associates of MBD*advice*. All have worked in many entities within and outside the Netherlands for Royal Dutch Shell, a well known listed company in the Energy sector and other major companies.

Before becoming an associate of MBD*advice*, Hans was Finance Director at Stork N.V., a Dutch listed company at that moment, which was under heavy pressure from hedge-funds to change its strategy. Before this employment he acted as consultant/advisor Governance and Controls with Shell International Exploration and Production (EP), Rijswijk, Netherlands, leading multi-functional teams carrying out so-called Organizational Readiness Reviews to implement regional and functional organizations as part of the New Operating Model. Till his formal retirement date with Shell he was Deputy Group Controller in London and member of the Board of Trustees and Management Committee of the Dutch Shell Pension fund. Earlier assignments included President of Argus Realty Services, Inc, New York with a portfolio consisting of office-buildings, apartments and landholdings with a total estimated investment value of \$900 million, generating yearly cash flow of \$110 million; Finance Manager Pernis Refinery Oil, Controller/Treasurer Shell Nederland, Regional Finance Advisor Exploration & Production (Europe/Syria/South America) the Hague, Controller Argentina EP based in Buenos Aires, Controller Norway based in Stavanger, Head Internal Audit Gabon, based in Port-Gentil, and internal auditor Shell Nederland, covering marketing, trading, refining and IT systems.

In his roles, Hans had extensive staff responsibilities.

He is qualified as a chartered accountant being a member of the Dutch Institute of Chartered Accountants, NBA.
